Dear Reverend Barbara,

We are beyond ecstatic that we chose you, even with only one month's notice, to officiate and celebrate our wedding ceremony on August 8<sup>th</sup> this year.

Your leadership, your demeanor, your intuition, your sensitivity, your experience, your sense of humor, your kindness, your professionalism, your calm ability to communicate with us when we needed it most, your words, your poise, and your musical taste all served to collaborate with the love between the two of us, to create the most meaningful and genuine wedding ceremony that could be realized. You helped us manifest our dream. Your love for us was unmistakable. Our families and friends singled out you as a unique wedding memory. Thank you for pouring your heart into every moment. Love, Steve & Heather
