ALFONSO RIBELLO
"FRESH PRINCE OF
BELOW"

Reverend Barbara:

A week ago today we had the most beautiful wedding ceremony, that none of our guests can stop talking about...

because of you!

It was everything Alfonso and I dreamed of. We couldn't ask for a better day.

Everyone was so touched by your beautiful words. We felt that the ceremony was a perfect representation of who we are, and the love that we share.

Thank You Robin & Alfonso
